

Choose the Right Contractor for Your Track Construction Project

If you want better control over the quality, schedule, and budget of your next sports construction project, consider partnering with a general contractor who self-performs their own work.

As you interview potential contractors, use this handy checklist to help you track who self-performs their work, and who subcontracts out the majority of the project work.

	Item	American Athletic	Contractor B	Contractor C
1	Excavation	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
2	Soil erosion	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
3	Subgrade preparation	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
4	Stormwater management	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
5	Channel drain installation	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
6	Concrete curb	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
7	Road base installation	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
8	Laser fine grading	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
9	Concrete flatwork	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
10	Take off board long jump	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
11	Pole vault pan	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
12	Sand pit with optional catcher	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
13	Discus ring / cage / sector	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
14	Shotput ring / cage / sector	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
15	Laser controlled asphalt paving	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
16	Fence	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
17	Bleacher	<input type="radio"/> Self <input checked="" type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
18	Lane barrier gates	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
19	Scoreboard	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
20	Electric/ Lights	<input type="radio"/> Self <input checked="" type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
21	Polyurethane track surface	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
22	Latex track surface	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
23	Track striping	<input type="radio"/> Self <input checked="" type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
24	Topsoil / Seed / Fertilize	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
25	Sod	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
26	Electrical conduit	<input checked="" type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
27	Plumbing	<input type="radio"/> Self <input checked="" type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub	<input type="radio"/> Self <input type="radio"/> Sub
